

# BOSTON SKYLINE CHORUS

Boston Skyline Chorus is a dedicated group of women who come together in celebration of the art form known as barbershop music. We are part of a worldwide organization of women singers committed to advancing the musical art form of barbershop harmony through education and performance. We are women of all ages and backgrounds. Formerly known as Liberty Belle Chorus (or LBC) since 1960, the Boston Skyline Chorus has members that represent more than 35 communities in Massachusetts. We travel individually and in carpools to Lexington, MA for weekly Tuesday rehearsals where we enjoy warm camaraderie and improve our vocal and performing skills!

Our director is the wonderful Wendy Pachter, who inspires us to reach new heights with each performance. She strives to develop our level of musicianship so we can deliver an emotionally charged message with each song we sing. We can be heard throughout the year, singing for civic and charitable organizations, private groups, sporting events, churches, community events, and fundraisers. Our performances have included competing on WGBH's 'Sing that Thing!', singing in Fenway Park for the Boston Red Sox, the "One Fund", Hampton Beach Half Shell, and the Chestnut Hill Mall.

We would love to sing for you and/or your organization!
